

ShakesJeer's Tech Department Recruitment will be conducted in 2 rounds!

The following task is designed assuming your fresh start, so don't be intimidated by them.

Round 1 – Project Round

You are required to build up a **webpage by using simple HTML, CSS and JavaScript(optional) with a major focus on responsiveness**. Theme for your page is completely your choice.

Usage of bootstrap is prohibited!

Evaluation Criteria :

- Designing and Color Coding
- Fully Responsiveness (laptop to mobile view)

Deployment :

You need to deploy your website before submission. You can deploy it either on GitHub, vercel, netlify, Heroku or any platform of your choice.

For the deployment process, you can check out the following tutorial on YouTube.

(https://youtu.be/8hrJ4oN1u_8 , <https://youtu.be/A2R-CMMyp64>)

Submission Details:

You have to submit the google form with github-repo link, deployed website link and some personal details.

Google form- [Tech Recruitment Form - 1st Years](#)

Deadline: 25th Jan 2022

On the basis of your performance in Round 1, Candidates will be shortlisted for the interaction round with the seniors! Details for the same will be given to you after shortlisting is done.

You don't need to worry much about competitive level as it would be a very liberal shortlisting!!

All the best!
